**Re: SASMO 2021**

Dear Sir:

Warm greetings!

The Singapore International Math Contests Centre (SIMCC) together with Asian MathSci League, Inc (AMSJI) would like to invite the students in your division to participate in the annual **Singapore and Asian Schools Math Olympiad (SASMO)**. SASMO is one of Asia's largest international math contest with over 30 000 contestants from 18 countries participating. It is a good opportunity for our students to gain exposure to the rigours of problem solving and math Olympiads and pit their skills against other students here and in other countries as well.

In the Philippines, the contest will be conducted ONLINE on Saturday, 8 May 2021 from 9 to 11 a.m. Registration and more details about 2021 SASMO can be found through the link <https://amslphil.com/register#/sasmo-2021>.

Medals and certificates will be awarded to the top 40% of the contestants. SIMCC will also reward S\$100 cash to students who will get perfect scores. SASMO winners will be invited to participate in the Singapore International Mathematics Olympiad Challenge (SIMOC) and International Junior Math Olympiad (IJMO).

We hope your students will seize this golden opportunity.

Thank you very much for your support.

Yours sincerely,

**RECHILDA P. VILLAME**  
 President, AMSJI
